When hiring equipment without a guide or coach, you must ensure that everyone in your party understands the risks involved, and, are suitably skilled to undertake the activity. adventurelifelinks cannot be held responsible for loss or injury where they are not present.

adventurelifelinks reserves the right to refuse canoe hire in certain circumstances e.g. River levels.

* Items require a deposit of €350 damage excess, this will be returned when the item is returned without damage.

NB. All breakages or losses must be paid for at the full retail value.
